

## **Proposed Events for 2015-16**

With a set of these sincere and successful steps at the college level, Eco Club is filled with enthusiasm with its future plans towards the same goals but different ways in this year. Here is a glimpse of events, the club is planning to organize in Session 2015-16:

Tree Plantation Drive on International Ozone day	September 16, 2015
Celebration of Wildlife Week	October 7, 2015
Herb Plantation	November 1, 2015
Eco Club Fest (Prakriti)	February 12, 2016

INSTALLATION OF DUSTBINS TO FACILITATE SEGREGATION OF WASTE will be a significant project for this year.
