

## The Fine Arts Society : Croydon

Fine Arts Society The Fine Arts society or 'Croydon' is a place where any student who is interested in 'fine art/plastic art' can either discover her talent or hone her skill. One of the important tasks of the society is to decorate the college on various occasions namely the annual cultural Festival - Shruti and celebration of college day which makes it an integral part of college events. Organising workshops like that of calligraphy, paper quilling, macramé, rangoli, 'best out of waste', poster making or painting on various mediums etc. is an important aspect of Fine Arts society
