

MUSIC SOCIETIES OF INDRAPRASTHA COLLEGE FOR WOMEN PERFORM AT EMBASSY OF SWEDEN

The Embassy of Sweden invited the music societies of Indraprastha College for Women to perform for St. Lucia's event, the festival of Lights on the 10th of December. The students conceptualized and prepared a novel fusion of the Indian ragas with the Swedish numbers for the event and rendered it before an audience dotted with political and International dignitaries including the Ambassador of Sweden, Mr. Harald Sandberg.

With the consistent encouragement and guidance of the college principal Dr. Babli Moitra Saraf, and coordinators of the music societies, Dr. Sarabjeet Kaur and Dr. Lianboi (of Alaap, the Indian music society and the Sonder Chords, the Western Music Society respectively), the students put up an enthralling fusion of the western and Indian numbers that was much appreciated by the audiences.

The girls felt privileged to be exposed to such an international gathering.
