Congratulations and welcome to the IP College Hostel! You have just taken your first step out of your homes into public space and community life. This signifies both freedom and responsibility. IP College runs the hostel on liberal principles, treating its residents as young adults and taking on board the concerns of safety and security of young women who wish to relocate themselves for higher education. Living here is about accommodation of diversity, not only of regions and identities but also of individual preferences and tastes.

Please read the Prospectus thoroughly to familiarize yourselves with the rules and regulations. Life in the Hostel is a celebration of community life in an ambience of collegiality. It is also about becoming tough, facing the occasional discomfort and coming out strong and enabled to face a world which challenges our tolerance and endurance.

IP College is about you. You are at the centre of its vision – a vision which upholds the values of equality and harmony, while it continues to mainstream the marginalized, even as it pursues the goals of academic excellence.

I wish you a memorable and enjoyable stay.
