Eight rooms share a common toilet block. Provisions for residents with benchmark disabilities (PwBD) are thoughtfully incorporated on the ground floor, including a specially designed toilet located adjacent to the residence of the Manager and Matron.

The office of the Student Residence is conveniently situated on the ground floor, alongside the dining hall, which also functions as an assembly space. The medical room is equipped with essential facilities including a bed, stretcher, wheelchair, and a first-aid kit. The modern kitchen is fitted with contemporary appliances, while three landscaped lawns contribute to a peaceful and welcoming atmosphere.

The residence offers additional amenities such as a visitors' lobby, a library, a recreation and common room, and luggage deposit services. A dedicated visitors' residence and access to sports facilities are also available. Each floor includes two kitchens equipped with refrigerators, microwave ovens, snack preparation areas, and dishwashing sinks. Designated hangout zones provide relaxed spaces for students to interact and unwind.

The KG Student Residence accommodates 280 students from various academic programmes and categories, fostering a secure, inclusive, and enriching residential experience.

Solar water heaters are installed for hot water supply, and the building is equipped with an elevator and staircases to ensure easy access to all floors. With 24-hour power backup and continuous water supply, the residence provides a reliable and well-maintained environment for its residents.

The ground floor houses essential facilities including the office, medical room, dining hall, large common room, and an assembly area. The premises are monitored through CCTV surveillance to enhance safety. A student-managed launderette (laundromat) operates within the residence, and each floor is equipped with a refrigerator, water cooler, microwave oven, snack preparation area, and dishwashing sink.
