

**Indraprastha College for Women  
University of Delhi**

05 June 2018

IPC/31/06

**NOTICE**

On the occasion of World Environment Day 2018 with the theme of the year "Plastic Pollution", the College encourages its community to reduce our collective plastic footprint by way of refuse, reduce, reuse and recycle.

The following initiatives are suggested:

- i) Refuse, reduce and reuse plastic products in your daily use.
- ii) Avoid single-use plastic water bottle, take-away coffee cup, lunch wrapped in disposable plastic packaging, plastic bags, disposable food service cups, plates and containers made of polystyrene foam, plastic straws etc. on the College premises and Canteen.
- iii) Use biodegradable and other types of compostable utensils in place of plastic.
- iv) Use durable, foldable and inexpensive reusable bag that can be carried around in car, pocket or purse.
- v) Have glass, steel or clay bottles instead of plastic bottles.
- vi) Welcome innovative ideas to reduce plastic foot prints.

A detailed plan will be provided very soon to implement the 'No Plastic' activity.
