

INDRAPRASTHA COLLEGE FOR WOMEN  
UNIVERSITY OF DELHI

# PLACEMENT CELL BROCHURE

2018-19

# FROM THE PRINCIPAL

*"Indraprastha College, with its emphasis on developing the soft skills of communication and presentation at all levels of its academic and research programs, has been successful in producing students who go beyond the academic curriculum.*

*We are proud to put our graduates out into the larger world of public life and employment, where they are raring to prove their mettle and come into their own.*

*We invite you to be a part of their journey by putting your faith in their capabilities and picking them out for challenges, both that you face and those that you may pose."*

**~ Dr. Babli Moitra Saraf**

# FROM THE FACULTY ADVISOR

*"We are happy to note that the 2017-18 academic session witnessed a successful placement season. It is very satisfying to see an increasing number of students, from across disciplines, expressing interest in campus placements, and getting themselves registered with the Placement Cell. The Placement Cell, on its part, is making all-out efforts to bring on board more recruiters for the graduating batch of 2018-19.*

*We, at Indraprastha College, are proud of the huge talent pool of young women with a variety of skill sets, aptitudes and domain expertise, who are eager to venture into the professional work-space and carve out a successful career. We assure you that, given an opportunity, they will become an asset to your organization.*

*We look forward to building a meaningful and long-term relationship with your organization."*

**~ Valsala Kuriakose**

# RECRUITMENT PROCESS

## Recruitment Phases

Phase 1: August 1, 2018 - October 31, 2018

Phase 2: January 15, 2019 - April 15, 2019

## Stages in the process

Receipt of proposal

Registration by students

Job Offer

Selection Rounds

Pre-Placement Talk

Recruiters are requested to make a note of the following:

- After the Pre-Placement presentation, students are free to decide whether they want to appear for the subsequent hiring process.
- Students registered with the Placement Cell may avail a maximum of two job offers.
- A student accepting a job offer will not be considered for further recruitment drives, in the interest of wider distribution of job opportunities.
- Recruiters are required to route all communication to applicants, including the intimation of job offer, through the Placement Cell, for college records.

# OUR TEAM

With over 40 members from different disciplines of study, who lend their own streak of brilliance to our colourful tapestry, the Cell family is diligent and dynamic, united by the desire to take our College to new heights.

The Core team of J.E.E.T. includes the office bearers and the heads of the different functional groups. The working of the Cell is overseen by the Faculty Advisor, assisted by a committee of Faculty Representatives appointed by the Staff Council.

# THE WAY AHEAD - A PROFESSIONAL PLATFORM

The Placement Cell has been looking for ways to ensure that the process of placements is seamless, both for the recruiters and for the Cell Team.

In this endeavour, the Cell has joined hands with **Josh Technologies Group**, to use their platform, **CalyxPod**, which is an end-to-end solution, to optimise placements and related processes.

The platform facilitates the following:

Centralised  
Database  
Management

Right flow of  
events and  
multiple stages

Optimising  
and reducing  
effort

In-depth  
Analytical  
Analysis of Trends

Better  
coordination with  
students

Sanctity of data  
and automatic  
reports

# RECRUITER FEEDBACK

" We have received a stellar response from the students of your College. We appreciate your Placement Cell members' commitment and it has been a pleasure interacting with you! "

Pranay Singh

Talent Acquisition | Human Capital

D.E. Shaw India Pvt. Ltd.

" IP College for Women is our preferred hiring partner over the years. We as an organisation are privileged to hire great talent year on year from this College. We are thankful to the placement team for smooth campus placements every year. We would appreciate if we can get more participation during campus placements."

-Ketan Bansal (Talent team- Recruitment, Ernst & Young)

# STUDENT FEEDBACK

This year, the J.E.E.T. team has worked effectively in terms of visibility, quality, guidance and exposure to a wide range of career opportunities. The team not only brought to the college some really good companies for recruitment drives, but also played a vital role in preparing the students for the drill through various workshops, training sessions, group discussions and mock interviews.

-Asmita Jagwani (3rd Year, Political Science Honours)

The experience with Team J.E.E.T. has been fruitful and enriching. Thanks to the hard work of this cell, I got placed at InShorts as a proofreader. The team made proactive efforts to guide my batchmates and I, through the entire placement process very well. They gave us tips for the preparation and ensured a hassle-free process. Kudos to the team for their professionalism and dedication!

-Vatsla Bagai (3rd Year, Multimedia and Mass Communication)

My whole experience with J.E.E.T. - The Career Guidance and Placement Cell was quite surreal. It was because of the cell members' meticulous efforts and support that I was able to land my first job with Macquarie. Kudos to the Placement Cell !

Ritvika Agarwal (3rd Year, B.Com. Honours)
