

### **Internship offer at Balipara Foundation, Assam**

The Balipara Tract & Frontier Foundation (BTFF), an NGO located in Assam has initiated experiments in ecological protection and restoration of the Eastern Himalayan Region through the concept of Naturenomics. Their vision is to preserve the Natural Heritage of the Eastern Himalayas through a series of experiments. These experiments have led to working prototypes and innovative project models for the conservation through social mobility.

Indraprastha College has a Memorandum of Understanding (MoU) with Balipara Foundation to establish a mutually beneficial relationship of knowledge sharing, research & publications, and volunteering & internships.

The Foundation is offering Internship opportunities for the students of Indraprastha College for Women in the broad domains of 'Rural Futures' and 'Eastern Himalayan Botanic Ark' during the months of June and July 2019. The location of these projects will be Assam, India. Kindly see the '*Program details*' offered by Balipara Foundation.

Interested students must apply by submitting the following Google form by 25 March, 2019:

<https://goo.gl/forms/qYZOfOn3Xi2Fcwla2>

Shortlisted applicants will be called for an interview. Upon final selection, applicants need to submit consent from their parents in the prescribed form to the college office before the beginning of the internship.
