**COVID -19 - Community Health Information Session**

The Principal held a meeting with the College Non-Teaching cadre including service staff, to inform them about the precautions to be taken in their homes and workplace and in the community, in view of the emerging situation of COVID 19.

The meeting was held on 18 March 2020 on the College Lawns, in open-air to demonstrate and ensure social distancing. The staff was apprised of the measures taken by the College for prevention i.e. availability of sanitisers, tissues and masks, where required. Basic personal hygiene rules were reiterated.

Information regarding steps to be taken by individuals and the community in the workplace and at home to prevent the spread of infection, were discussed at length.

The Staff appreciated the information session and the precautionary steps taken by the College.
