

Indraprastha College for Women
University of Delhi

16 March 2020

IPC/41/03

NOTICE

In continuation of College advisories and notices on the subject of COVID-19 dated 13 March 2020 and consequent upon the Press Release by the University, the following is added:

1. The venue of the Faculty meeting scheduled for Monday 16 March at 10.30 am is shifted to the Auditorium to ensure social distancing, and seating will be required to put two seats between individual teachers.
2. The Hostels have not been shut down keeping student interest and vulnerability in travel, ticketing etc. in mind, and all possible precautions are being taken.
3. Colleagues who have reported arrival from abroad and are in self-isolation with or without medical advice, especially on College campus, are required to observe all related precautions avoiding contact with the community. This would include no contact with shared/other household help, especially those living on campus, no visitors and extension of that isolation to co-habitants. All steps are to be taken to prevent community entry, as there is a large campus community, including students on campus.
4. All advisories are to be given to all service staff at the level of the household.
5. The College is reviewing the situation on a daily basis with reference to Government and public health advisories, and will take all necessary steps accordingly, with information to all.
