- Submit the form for verification by your respective college/department.
- Students can update their profile details (if any correction is required) even after the submission until it is verified by the college/department.

The screenshot shows the DU eGov portal interface. On the left is a navigation menu with 'Examination' selected. The main content area displays a blue 'Info!' notification box stating: 'The changes have been submitted successfully. Once the respective administrator approves the changes, you can see the new updates in the profile.' Below this, the 'Results' section contains a red warning message: 'You have submitted your profile details for change request. It is under review by the college/department. In case you want to update the details again, you can do it by [Clicking Here](#). Keep this number **DU00000023** for future references.' The footer includes the copyright notice '© Samarth eGov'.

- After the verification by college/department, Students can download the marksheet.

The screenshot shows the DU eGov portal interface after successful verification. A blue 'Info!' notification box states: 'For roll number: 19062527109, Marksheet generated successfully.' The 'Results' section displays a table with one item. The table has columns for '#', 'Exam Session', 'Roll Number', 'Profile Details', and 'Download Marksheet'. The row contains the following data:
