

**INDRAPRASTHA COLLEGE FOR WOMEN
UNIVERSITY OF DELHI**

**NOTICE FOR THE CHOICE OF COMMON COURSES (SEC, VAC,
AEC AND GE) FOR SEMESTER-III 2024-25**

All Semester III students please note that they have to choose their Skill Enhancement Course (SEC), Value Addition Course (VAC), Ability Enhancement Course (AEC) and General Elective (GE) by filling out a Google form.

The last date for filling the Google forms is 25.06.2024.

PLEASE NOTE THE FOLLOWING POINTS:

1. The students should carefully fill out the Google form because this form can be submitted only once. Carefully fill your details with utmost care, correctly mention your Name, College Roll Number, Examination Roll Number, E-mail Id and Phone Number (Please provide your own active phone number).
2. BA Programme students will mandatorily pursue Hindi as GE Language (GEL) this semester (Except for those who have Hindi Discipline as a core subject). Hindi discipline students will choose from the GE common pool.
3. The level at which they will pursue Hindi GEL will depend on the level to which they have studied Hindi in school. BA(Prog.) students, who have already pursued Hindi GEL in Semester I cannot change the level (A, B or C) in Semester III from what was earlier pursued in Semester I.
4. All students of BA Programme who have not studied Hindi up to Class VIII or beyond or have not studied it at all in school (including all foreign students) are to choose their GE from the common pool. However, while selecting their GE from the common pool they cannot choose the GEs offered by the departments of their core disciplines. So, BA programme students with English and Political Science/History as their core disciplines cannot choose English and Political Science/History as their GE from the common pool. (The list of the GEs offered by the college is available as a dropdown list in the form). Same is applicable for Hons. students.
5. The students cannot choose exactly the same SEC or VAC in Semester III, that they have taken in Semesters I or II.
6. Some courses are sequel courses like Vedic Mathematics (I, II and III) and NCC (I, II). Only those students who have taken the level I course can opt for level II course. Similarly, only those who have taken both levels I and II, can opt for III. The NCC course can be taken only by the students who are enrolled in NCC in the college.
7. All BA Programme, B.Com (H), BMMMC (H), Economics (H), Philosophy (H), Geography (H), Sociology (H), students will mandatorily pursue Environmental Science (ENVS) as their AEC in Semester III.

8. All students who want to pursue any SEC or VAC or AEC outside the college (for non-availability of such a course in the college) should send their application to the Teachers in charge of their respective department on or before 27th of June 2024. No application would be entertained thereafter.
9. **If a student fails to submit the online form by the notified last date i.e. 25th of June 2024, she will be allotted a course at the discretion of the college. No further request for the change would be entertained.**
10. Students must go through the Syllabi of the GE, VAC and SEC before choosing your options. Please visit the University website or contact the respective departments' TIC in case of any queries.

The list of SEC, VAC & GE subjects offered by the college is as follows:
