

WORKSHOP On Indoor Air Quality and Human Health: How Safe Are We At Home?

OPENING REMARKS BY DR. CHIRASHREE GHOSH, RESOURCE PERSON OF THE WORKSHOP

22 SEPTEMBER, 2017

Centre for Earth Studies, Indraprastha College for Women Organises Day Long Workshop on Indoor Air Pollution

The Centre for Earth Studies of the College organised a Day Long Workshop on the topic of Indoor Air Quality and Human Health on 22 September 2017. The Resource Person for the Workshop was Dr. Chirashree Ghosh and her team from the Environmental Pollution Laboratory, Department of Environmental Studies, University of Delhi.

Almost three dozen students and faculty participated in the Day Long Workshop, which invited registration from all members of the IP College Community. The objective of the Workshop was to raise awareness and sensitization in the students on the otherwise obscure topic of Indoor Air Pollution and also provide some hands-on training on the subject.

The Workshop included a Talk by the Resource Person and two Technical Sessions comprising two experiments each. The participants were handed out the Workshop Manual at the beginning, which included details of each of the experiments.

The Workshop began with the welcoming of the Resource Person and her team, and with introductory remarks by Dr. Babli Moitra Saraf, Principal, IP College. The participants remained engaged for the rest of the day in learning and experimenting on various aspects of indoor air pollution. The Workshop concluded with the Vote of Thanks, delivered by Dr. Anindita Roy Saha, Coordinator of the Centre for Earth Studies.

Welcoming the Resource Person

Dr. Govind Singh (Department of Environmental Studies, IP College) presenting an indoor plant to Dr. Chirashree Ghosh in the presence of Dr. Babli Moitra Saraf, Principal, IP College.

Participants During Open House

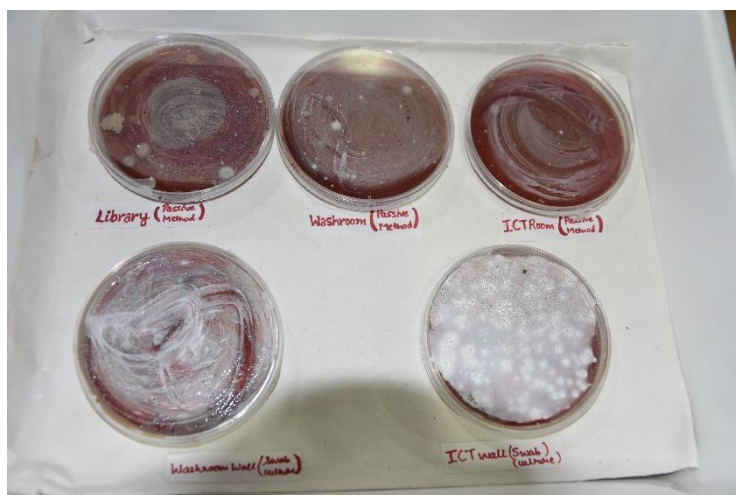

The Workshop concluded with an Open House where the participants were encouraged to ask questions, share their doubts and also provide suggestions for addressing the concern of indoor air pollution.

Dr. Chirashree Ghosh, Resource Person of the Workshop, presenting her Talk.

Initiation of the hands-on training and experiments by Dr. Chirashree Ghosh and her team.

Experimental setup demonstrating the presence of microorganisms around us all the time.

Hosting of the Workshop by Mr. Nawin K. Tiwary of the Department of Environmental Studies, IP College.

Presenting of certificates by Dr. Chirashree Ghosh.

Presenting certificates to Demonstrators by Dr. Anindita Roy Saha.
