Pre-Diwali and Post-Diwali Air Quality Monitoring in the College Campus
For Year 2017

Collection of samples for measuring air quality.

The Centre for Earth Studies, Indraprastha College for Women collaborated with the National Physical Laboratory (PUSA) and the Environmental Pollution Laboratory in the Department of Environmental Studies, University of Delhi to carry out a Pre-Diwali and Post-Diwali air quality assessment in IP College campus area, representing Civil Lines. The results showed marked change in air quality of the area during Post-Diwali. The monitoring involved the students of the College and researchers from the Department of Environmental Studies, University of Delhi.

Dr. Anindita Roy Saha (Coordinator, CES) along with researchers with the PM_{2.5} Air Sampler.
