

12th Annual Public Lecture Report

Mr. Manish Sisodia , Hon'ble Education Minister and Deputy Chief Minister of Delhi was the guest speaker on the 12th Annual Public Lecture (endowed by Indraprastha Girls Senior Secondary School). It was organized on 5th April, 2017. He addressed the students on 'Equity in Education'. In his address he emphasized on learning and education. He shared with the house that how they took an initiative to start inspection, parent teacher meetings in government schools. He also informed that he took a group of teachers from government schools for training to the Scanadenavian countries.

He also talked of governmentality in his own political life and implementation of government policies in the functioning of schools and education. His address along with being informative was also interesting and students enjoyed his talk. His address was followed by question answer session and many students asked him very pertinent questions.
