University Of Delhi

On 28th October 2016, Eco Club of Indraprastha College for Women hosted an Anti-cracker campaign in the college premises. This event took place in collaboration with Abhivaykti, the dramatics society of IP College.

Students came prepared with anti-cracker slogans and chanted the same while they marched around the college campus starting from the college main gate. Posters which were made by participants during the poster making competition held on October 25, 2016 were also carried for display. They even walked on the roads that led to the residences of college campus, talking to them personally on the way and trying to convince them to not burn crackers. The march ended at the college canteen.

A whole new level of enthusiasm was seen in the students during the march. Many college students seemed convinced and attracted to the idea of spreading a word through a march and reciprocated the same by joining the march.
