

POSTER AND RANGOLI MAKING COMPETITION

Eco Club

Indraprastha College for Women

University Of Delhi

On 25th October 2016, Environment society of Indraprastha College organised a Poster making and a Rangoli making competition in the college premises. The broader theme for both the competitions was Diwali. Participation was seen from students of various disciplines with a great level of enthusiasm. Time limit of two hours was given for both the events and entries were judged by Dr. Surabhika Maheshwari and Dr. Gayatri Arun Kumar.

Area outside the Psychology lab was used for the Rangoli making competition. Students used not only rangoli colour but flowers, paints, waste CDs, cups, diyas, waste spoons, bottle caps etc for making rangoli. Top three positions were awarded with certificates along with a special mention to one design which used all recycled material.

The poster making competition was held at the Auditorium Foyer where participants depicted their ideas of Diwali in a colourful way. Various new ideas of environment free Diwali were seen which left our judges confused on whom to award. Top three posters were awarded with certificates.

The event overall marked huge success which fun feedbacks from all participants and volunteers.
