

Indraprastha College for Women

NSS Unit

REPORT

As per the instructions of the Government of NCT of Delhi, a **slogan writing competition** was organised by the NSS Unit of Indraprastha College for Women in the context of the DRY DAY for TOBACCO in Delhi on 30th August 2018.

Students from various departments of the college participated in the event with great enthusiasm. The main purpose of this event was to raise awareness among the students against the ills of tobacco. Amongst the students that participated two were selected as the winners of the competition. They are Simmi Sonker from B.A. Hindi (Hons.) second year who won the first prize and Shehreen Gauri from B.A. Programme who won the second prize. The judgement was made by a committee of judges based on different aspects such as how impactful the slogan was.

Enclosed are some pictures from the event:
