On behalf of the College community, I welcome you all.

He was Dean, University School of Information Technology, Controller of Examinations and Director, Students Welfare, Guru Gobind Singh Indraprastha University, Delhi.

Our Distinguished Alumna Guest today is Prof. Narayani Gupta of the 1959-1964 batch from the Department of History. She is an urban historian and works on the history of Delhi. She secured a second M.A. in Modern History from Oxford University, followed by a Ph.D from University of Delhi. She taught history here at IP, before moving on to Jamia Millia Islamia in 1988. She has been an advisor for INTACH's 'Delhi The Built Heritage: a Listing', 2000.

As we flag off the Centennial celebrations, I am humbled to stand in the long line of principals, my predecessors, who dedicated their lives and services to Indraprastha College for Women. The College began as a movement and continues to remain a movement, engendering the forces that propel it forward in the pursuit of its goals and objectives, envisioned in the first moves nine decades ago, by the men and women who gave priority to women's education, and supported and sustained the College through all times. It is a moment to dwell on legacy and heritage. I thank Hon'ble VC for opening the College Museum and Archives today for public viewing, and we will be ready with heritage tours once our students and teachers are back on the campus. I thank Curator, Dr. Meena Bhargava for the midnight oil burnt, and Coordinator, Dr. Vinita Sinha.

The College is grateful to late Chairman, Governing Body, Sh. Narain Prasad, for making available documents and photographs which have made the College Museum and Archives possible. The College owes much to alumnae Dr. Meena Bhargava and Ms. Kalyani Dutta for chronicling the founding of the College and locating it as a moment in the movement for women's education, even as it intertwines with the National movement, in their book *Women, Education and Politics: The Women's Movement and Delhi's Indraprastha College*.

We are humbled by the living presence of Sh. Deshraj Gupta, formerly Chair of the IP Educational Trust, and long-serving member of the Governing Body, and seek his blessings to move ahead. In this moment of thanksgiving, the College felicitates Sh. Deshraj Gupta, even while he is unable to be with us here today for medical reasons. In fact, due to the prevailing protocols under COVID-19, the College Day's traditional pomp and grandeur have been curtailed to unfortunately restrict the number of attendees, including prize winners in today's event.

Encapsulating the journey of 98 years here today is a temptation. Fortunately, 98 years of IP College coincide with 100 years of University of Delhi and IP College events will dovetail into that grand celebration. IP College had planned for this moment 10 years ago, instituting the Round Table Conference on Gandhi (RTC) as a decade long event in 2014, and the Centenary Decade UG Research Grant in 2015. The RTC is nearing its conclusion, with the event being taken to the global level this year and the next. The UG Research Grant, which has created a research mindset and interest in academic writing among students in the College, has produced

fine student research under mentors, leading to development of apps and publications in reputed journals. This will continue with the dedicated allocation of funds by the GB.

The run up to 2024, when the College completes 100 years, has been envisaged in a series of events over two years, this year and the next, and will culminate in 2024 with information to, and participation of all stakeholders. The Commemorative Centenary Coin is being released by the Hon'ble VC today to mark the curtain-raiser. Efforts are going on to release a postage stamp on the completion of 100 years. The Heritage Calendar of the College is also being released today, as has been the practice since 2016. This is also an occasion to release the College Magazine, *Aaroh*, and the Annual Student Journal of Translation, *Code* Vol. VII. I thank Dr. Divya Mehta and her editorial team, faculty advisor for *Aaroh* and the faculty advisory board of *Code*, Dr. Vinita Sinha, Prof. Rekha Sethi, Dr. Achyutanand Mishra, Ms. Srinjoyee Dutta, and Dr. Mihir Pandya.

It goes without saying that the life of the College is in its students, teachers and non-teaching staff, past and present, who have made the College what it is and will give it direction in the future. An alumna-connect program is being vigorously pursued as departments track down alumnae and former teachers, collecting reminiscences and memorabilia to mark the College centennial. The Department of B.A. Program has initiated this with the organization of several podcasts of these interactions on their public channel, IP Vaani.

On this occasion, I am pleased to announce that the University of Delhi has sanctioned the B.ScHons. Environment Science course, to begin in the Self-Financed mode in the College from the next academic session, to commence later this year. The infrastructure to implement the Course is ready.

It is the perfect moment to applaud the teaching and non-teaching staff of the College on their promotions which have been completed in just over a year. 52 teachers have been promoted in 103 positions. The College has its first set of professors in Prof. Rekha Sethi, Prof. Harsh Bala Sharma from the Department of Hindi, Prof. Archana Singhal from the Department of Computer Science and Prof. Jyoti Trehan Sharma from the Department of Political Science.

Prof. Rekha Sethi has been appointed Vice Principal of the College and Prof. Jyoti Trehan Sharma, the former Vice Principal, is thanked for her contribution, over the last two years.

The College has appointed a second AO – Mr. Jagdish Kandpal, formerly Section Officer, Accounts. Mr. Vimal Bhatt has been promoted to the post of Section Officer, Accounts.

In the NIRF, the College was once again placed among the top 100 HEIs of the Country at the 68th position. As an outcome, the College is a participant in the PM Skill India Programme. The College will offer training in the categories of Sound Editor and Social Media Management. Mr. Gagan Gera of the Department of Multi Media and Mass Communication, and Ms. Nikita Gupta, Data and Social Media Manager of the College, will conduct these programs.

The College has submitted its Self-Study Report (SSR) to NAAC for its Second Round of Accreditation, and is in the process of submitting its AQAR 2020 - 2021.

The Internal Quality Assurance Cell (IQAC) held its Annual Academic Audit in the online Academic Congress of the Staff Council, to review and initiate the academic agenda and pedagogical practices for the session, and decide upon strategies to implement the academic calendar of the University of Delhi. As in the past year, the online Teaching-Learning System, online submission of Internal Assessment Data, online Open Book Examination, and online Admission process, totally contactless, have been the most significant practices and challenges of the year gone by.

This has given an added impetus to the augmentation of the College's digital infrastructure. To enhance connectivity, the College has installed a Network Enhancement Tower and procured three Airtel lines with broadband services. The College procured two Zoom platforms to enable the online Teaching and Learning process, and participation in large numbers for events and meetings. It has its own YouTube channel. The Principal's Address at the Orientation Program was streamed live for 1st year students, on 22 November 2021 on its official YouTube channel, with 1127 viewers joining. Today's event too is being streamed live on the College YouTube channel. As per the IP College tradition, celebration of Independence Day, International Yoga Day, Gandhi Jayanti, Republic Day and Martyrs' Day continued, shifting largely online, with physical presence to take pledges and hoist the National Flag.

Like the rest of the country, and parts of the world, the College was also affected by the brutal second surge of the COVID-19 pandemic in 2021, in which the College lost many friends. We remember them with gratitude. The College's focus remained on the pandemic and resultant physical and mental health challenges. The College Magazine, *Aaroh*, in the past year and in the current issue has poignantly and expressively documented these moments. The College, as part of its ISR and Community Outreach program, organised a Webinar series on 'Post Covid Care – Physical Health and Mental Health'. The College Counsellor, Ms. Lalita Kaushik, has been available online to students and the College community throughout the period of the pandemic, and has submitted monthly reports to the Principal, which document the grim scenario in which students and others find themselves in the isolation of their homes and the suffering and agony of the pandemic. She has been awarded a Certificate of Appreciation for her service to the College community.

The Certificate of Appreciation for non-teaching Staff for Exceptional Service rendered, is awarded this year to the Gardeners (Malis) of the College, both permanent and outsourced, for their contribution to the upkeep of the College green cover, during the entire period of lockdown.

At the 63rd Annual Flower Show organized by University of Delhi, IP College won the First Prize for the Best Video Film in the competitive category. The Video was conceptualized and directed by the Principal, Prof. Babli Moitra Saraf, and produced by Mr. Gagan Gera and Mr. Rohit Rohilla for their efforts in creating and editing the video. The College also won the Department of Sociology Cup for the Best Rose Garden and the Department of Geography Cup for the Best Garden Climbers, Shrubs and Trees, and 5 prizes in the Potted Plants and Hanging Basket categories. The College lauds the efforts of Dr. Gunjan Khurana as Convenor, Garden Committee.

The Department of B.A Program's community outreach program on mental health 'Project PARWAAZ' organized a workshop on Suicide Prevention, as well as one on coping with career-related anxieties and future apprehensions.

The Department of Psychology held a Mental Health Awareness week, with webinars, workshops and lectures. It has organized a 36-hour online Certificate Course on Peer Facilitator Training, which is ongoing. The highlight of this course is that all the resource persons are alumnae of the Department of Psychology, working with mental health.

The Principal has been appreciated on record of the IQAC for her outreach mails at regular intervals to the College community during the period of the pandemic, and the assurance given to the staff and the entire college, informing them of the steps taken to ensure their safety and wellbeing, including the preparedness of the College to deal with emergencies on campus, with two oxygen cylinders made available to those requiring them. The College also appreciates the Administrative Officer, Mr. Dinesh Sundriyal for his constant support extended to the entire College community during the pandemic. He maintained a comprehensive database of available resources in the city, for COVID-19 emergencies of the College community and functioned as a helpline.

The NSS unit of IP College conducted significant activities under their program 'Fight Against Covid'. Volunteers were required to translate an advisory provided by the Health Ministry of India, on home isolation for COVID-19 patients, in their own regional languages, in order to make the information more accessible to different populations of India, resulting in translations from Hindi and Pahadi, to Tamil and Assamese.

The NSS project 'Covid Awareness', involved volunteers accumulating and verifying information on healthcare and social support facilities for those suffering from COVID-19, so that knowledge of available resources could be widely disseminated. The volunteers searched and verified information regarding available healthcare facilities such as hospital beds, oxygen tanks, plasma, testing, and social support facilities such as food deliveries, counsellors, pet services, etc., for COVID-19 patients in their own city or state. The collected information in English, Hindi or regional languages, was presented on websites, along with names and contact numbers of people and organizations involved in helping patients.

The Governing Body approved the proposal to extend financial assistance for self, to adhoc/ contractual/ temporary faculty and staff of the College, for COVID-19 related medical expenses, which has been implemented.

The College received 356 applications for financial assistance and waivers. With the support of the Governing Body, financial relief in the form of full fee waivers was provided to BPL students, and Fee Concession, instalment payments, and other kinds of assistance, was extended to each and every student who had applied under the distress situation of the pandemic.
