Principal's Address

Distinguished Chief Guest, Shri Raghvendra Singh, Distinguished Alumna, Saachi Soni, Esteemed Chairman and Members of the Governing Body, Dear Colleagues, Friends and Beloved Students:

I welcome you all and take this opportunity to congratulate the entire College community and all those who have walked with us on this journey for 97 long years. It is important to put on record that the year 2020 has been an extraordinary year for the entire world. Also, for the first time in conscious memory, the Annual Day of the College is being held online, and without the familiar and welcome buzz of activity among students, teachers, non-teaching staff and other stakeholders. When the media of communication transform, it is inevitable that the format of the message also change. Therefore, this year the College has been constrained to launch the Annual Report online, and the Principal's address to the College community online has been accordingly abbreviated, and transmitted on YouTube. All acknowledgement of faculty, staff and students with details have been included in the printed version of this report. The College thanks all faculty and administrative staff for their inputs for the Principal's Report 2020.

The Annual Student Magazine Aaroh is being launched online, along with its audio version for students with visual disability, as per practice. The College thanks Dr. Divya Mehta and her team for the mammoth effort of putting together this milestone issue of Aaroh. The sixth edition of the Heritage Calendar, compiled by Dr. Meena Bhargava and Dr. Vinita Sinha, is being released on the occasion.

The online Teaching-Learning System, online submission of Internal Assessment Data, online Open Book Examination, and the online Admission process, totally contactless, have been the most significant developments and learning experiences, as well as achievements, of the year gone by. All these continue till the situation relents to permit full physical presence on the campus. However, a fall out of the situation for the Annual Report and for this College Day, has been the non-availability of the consolidated form of student results, due to which the assessment of the eligibility of merit position holders, prizes and scholarships has not been possible. The College has, therefore, been prevented from conducting its annual prize distribution, which is an intrinsic part of the College Day celebrations. As soon as the data on results is available, the College will produce a supplement to the Principal's Report with the record of recipients of prizes and scholarships in 2019-2020, and the situation permitting, an independent event will be organized to award and felicitate all prize winners.

The College records with grateful appreciation, the unstinting commitment, effort and dedication of our non-teaching colleagues, who, throughout the period of lockdown, have negotiated unprecedented circumstances and novel experiences, to ensure that the entire online system functions like clock-work at all levels.

It is significant to record that Mr. Manish Kumar Sinha, Assistant, was appointed by the College as the Nodal Officer for the Open Book Examination, who, along with his team, discharged duties with remarkable dexterity and dedication, under the overall supervision of Dr. Jyoti Trehan Sharma, Vice-Principal. The Internal Assessment component of the College was flawlessly compiled by the team led by Ms. Renu Chaudhary, and student options for papers were received online via Google forms. The College especially acknowledges the conduct of the online and contactless Admission Process by Dr. Archana Singhal and her team of teachers and support staff.

The Accounts Section was physically present every single month without fail to carry on the task of calculation of salaries to be released on time, to both permanent and contractual non-teaching staff. The College Governing Body took the compassionate decision to continue to pay subsistence level salaries to its large number of employees. The essential service staff of the College, both permanent and contractual, ensured that the vast heritage property of the College, its lawns and trees were maintained, and hygiene and cleanliness was at its peak during the dire months of the onset of the pandemic.
