

INDRAPRASTHA COLLEGE FOR WOMEN UNIVERSITY OF DELHI

Report on Basketball Shooting

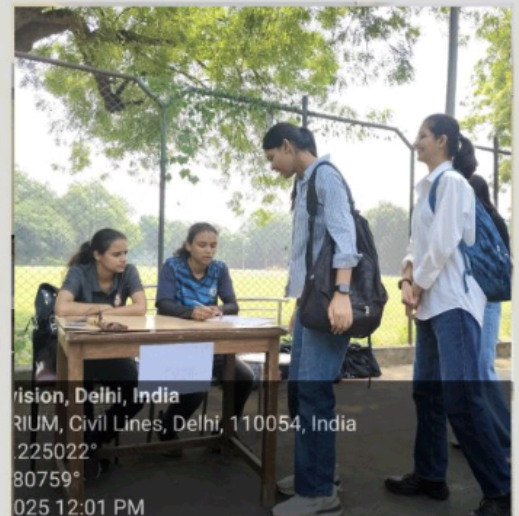

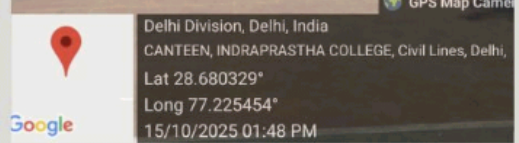

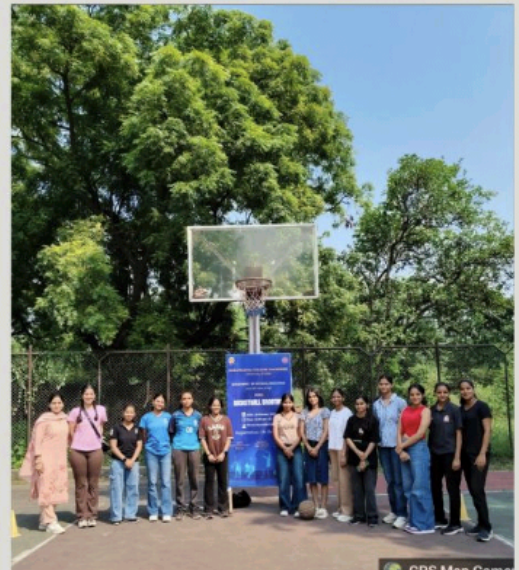

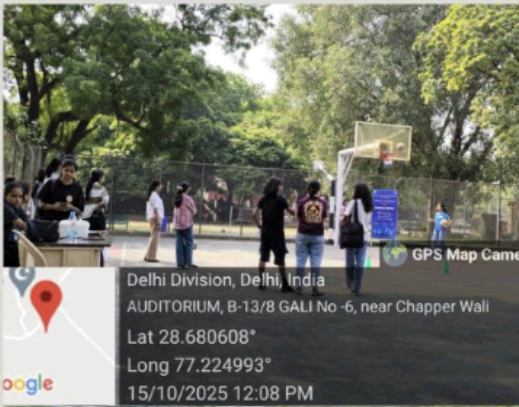

The Department of Physical Education organized a Basketball Shooting Event on 15th October 2025 at 11:00 AM on the college basketball court. The event aimed to encourage active participation in sports and promote interest in basketball among the students by providing them an opportunity to take shots from three different marked positions on the court.

The event was organized under the guidance and support of Principal Prof. Poonam Kumria and Convenor Prof. Seema Singh, Department of Physical Education. It was successfully conducted with assistance from Sports Union President Kanishka Chaudhary, Vice President Khushi Singh, General Secretary Sanskrit Tyagi, and Treasurer Ankita Yadav.

Participants were required to attempt shots from three designated points: the free-throw line, the mid-range spot, and the three-point arc. Points were awarded based on the number of successful baskets scored from each position. The competition drew a large number of enthusiastic participants who showed great interest, competitive spirit, and determination throughout the event.

After several rounds of scoring, the top three participants with the highest total points were declared winners and awarded for their performance. The event concluded successfully with active involvement, loud cheers from fellow students, and a sense of encouragement towards regular participation in sports activities.

The Basketball Shooting Event proved to be an engaging and enjoyable experience, fostering a spirit of sportsmanship, confidence, and camaraderie among the students.
